

COMPETITION AUDITIONS

DIVINE DANCE ARTS

Auditions: May 18th 2:00pm

Description: Competition is very rewarding and challenges students in their dance development. Competitive dancing is for dancers that have elevated dance goals and strive to become more professional. Competing is about dancers becoming polished in their technique and confident with their stage presence. In addition, competition involves practicing at home or at the studio (when there is an open dance room) and having a positive mental attitude when it comes to critiques.

Audition Attire: leotard & pink tights for ballet, leggings or dance shorts for all other styles; hair pulled back in a bun

Audition Process: Students are encouraged to audition for **ALL** dance styles but may opt out of auditioning for a style if it makes them feel uncomfortable. Auditions include: Ballet, Contemporary, Jazz, & Optional Tap. We also offer Hip Hop, Character, Musical Theatre, & Pointe in competition; but the audition process would take too long to cover every dance style. Students may note additional styles on their audition forms.
